

Become an independent Red Flag Business Development Agent

The Red Flag Image Company ('RF') has developed a remote independent business development agent ('RFA') program that will enable motivated and outgoing professionals to use their skills to capitalize on our successful business concept.

RF is looking for individuals who have an entrepreneurial spirit, great networking skills and the drive to make a lot of money by providing a great service to businesses.

Is An Opportunity With The Red Flag Image Company For You?

You might consider this opportunity if...

You are a talented networker

You are a motivated self-starter

You have no problem communicating with people about business and the needs of growing businesses

You might already be an exceptional sales person with a history of sales-related success, great closing and up-sell skills

You want to make \$100,000 a year or more in a stable, exciting business environment that has tremendous growth potential

What Happens Next?

Once RF has accepted someone as an Agent, we will provide a short training. Training will happen through several discussions and meetings in-person, via phone, video and online. NOTE: There is no long-term obligation to be a RFA. This opportunity can be worked on your schedule as much or as little as you want.

Each Agent will receive a breakdown of all her/his business development activities along with a payment for due commissions and a report on the monthly activity, including the total of recurring revenue payments. Monthly recurring payments will be given to the RFA on or around the 15th of the month for the previous month's business (via Venmo, PayPal, Facebook Payments, Apple Pay, Zelle/QuickPay).

RF will periodically review the performance of its RFA's and will promote/hire as needed to in-house team members, trainers and other corporate positions.

Each RFA will adhere to pricing set by RF, although RF will work with the RFA to determine custom pricing on a case-by-case basis. All sales are paid direct to The Red Flag Image Company. RF will manage the fulfillment of all orders. Although the RFA will act independently, at all times she/he will represent RF with the highest level of professionalism.

Financial Opportunity!

This is an incredibly lucrative opportunity for the right people to turn their passion for networking and business into a full-time executive-level income. The projections below are based on an average of only 2 sales per month with the RFA earning 10-15% of the first month and 5-10% of each month that the referred client is active and paying. A great networker with good communication skills can bring in many more referrals with even higher average contract values.
